

Reception Shield & Desk Guard

Protective Hygiene Screens for Desks and Counters

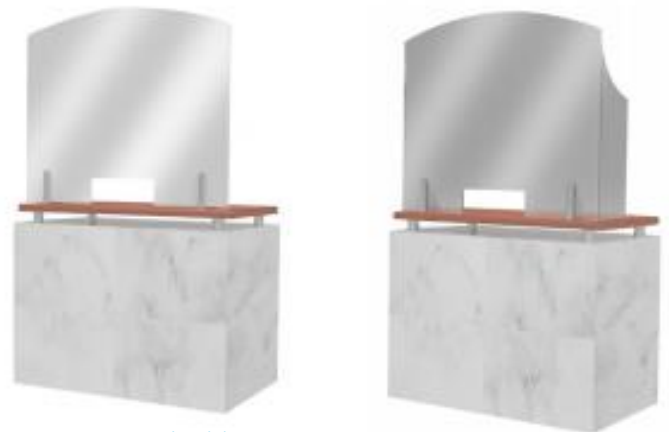

Protect staff, customers and visitors in the workplace with Reception Shield and Desk Guard, clear hygiene barriers which can be fitted to working areas to help reduce physical contact and encourage social distancing.

Protection in the workplace, without damage to your building

Designed for reception desks, tills, POS and counters in commercial, retail and hospitality environments where it is important to maintain high-quality building aesthetics and a superior welcoming experience for building visitors.

- Clear barrier that can be fitted and removed without damage to counters and desks
- Sneeze and cough protection shield for staff and customers
- Easy wipe clean acrylic surface
- Free-standing and clamped post options
- Optional transaction gaps to enable safe trading whilst encouraging social distancing
- Choice of standard RAL colours and finishes
